WELCOME TO OUR WEBPAGE

Our firm, Varimex-Valves CO. LTD., was established in April 1992. Our partners are eight Polish factories, which are the suppliers of the Industrial Valves. Varimex-Valves CO. LTD., represents abroad the manufacturers of valves but not only those which are our partners but also the other factories making both industrial valves and other products such as pumps, industrial tanks, heat exchangers and many others.

Thanks to the continuous promotion on foreign markets and our experience Varimex-Valves CO. LTD., become one of the leading exporters of Industrial Valves, which are renowned for their quality practically all over the world. We deliver our products to most countries in Europe, Middle and Far East, Africa and South America.

Varimex-Valves CO. LTD., represents in Poland EI-O-Matic International GmbH in the sales of electric and pneumatic actuators for butterfly and ball valves. Industrial valves offered by Varimex-Valves CO. LTD., are made according to DIN ISO 9001/EN 29001 and CE quality requirements.
